Hon. Colleen Kollar-Kotelly
U.S. District Court, District of Columbia
c/o Renata B. Hesse
Antitrust Division

Dear Judge Kollar-Kotelly:

I would like to share with you my thoughts on the pending antitrust suit against Microsoft. While I appreciate the range of quality products and services that Microsoft provides, I am greatly concerned that they do so at the expense of their competitors via an unfair monopoly. Just as we cannot have one phone or cable company, we cannot allow the ever-growing technology field to be monopolized by a single corporate entity.

I urge you to not let Microsoft off the hook by settling the lawsuit.

Please keep my thoughts and concerns in mind when weighing whether or not to settle and I thank you for your time.

Sincerely,

Crystal Smith
